

Dear Parent or Guardian:

The students at South Jordan Middle School use a software program called Renaissance Place at school. This program has a special feature called Renaissance Home Connect, which you and your student can access outside of school from any computer with an Internet connection. Renaissance Home Connect is fun and easy to use. It allows the teacher, you and your student to share information about your student's progress in Accelerated Reader. You can log in to Renaissance Home Connect from any computer with an Internet connection and compatible browser.
