

CLASSROOM EXPECTATIONS

In ceramics, you will be expected to achieve the following:

- Maintain a clean work area
- Set goals for yourself
- Manage your time effectively
- Respect others property and projects
- Get right to work at the beginning of class
- Have fun and relax!
- Turn in weekly check in on Canvas
- Pay your class fee(\$10) within the first week of class
- Bring a sketchbook to class the first week. (8.5x11 or 9x12)
- BE SAFE!!!!

OPEN LAB SCHEDULE

If you need more time to work on a project outside of class, the room will be open:

- Monday-Thursday 7:15-7:45
- Monday and Wednesday from 2:50 until 3:30.

SUPPLY STORE

Due to Covid, it is highly recommended for each student to purchase their own set of tools so that sharing is minimized. Tool kits are available to purchase in the office or you can find an 8 piece clay tool set online. You will be given 25 pounds of clay per semester which is included in your class fee of \$10. If you run out you will need to purchase more through the office.

Tool Set: \$8
Rubber finishing tool: \$4.75
25 lb. bag of clay: \$10

**Other items may also be added to the art supply store as the semester progresses. A current price list will be posted on the class website and outside the room. Pay all fees to office and bring me receipt to get your supplies.

GRADING

This class will implement standards-based grading scale of 1-4. For reference here are some ideas of proficiency levels for each number:

1. Far below expectations
2. Approaching expectations but missing certain requirements
3. Meets all expectations or competent at skill.
4. Exceeds all expectations and can teach technique to others. Very high-quality work.

CLASS WEBSITE

We will be using Canvas as our class page. You will be using it weekly for assignments. **All projects will be graded through Canvas by submitting a .jpg photo of your work.** You will also find all project rubrics, tutorial videos and other helpful documents on this page.

Supply Store

Due to Covid, it is highly recommended for each student to purchase their own set of tools so that sharing is minimized. Tool kits or individual supplies are available to purchase in the office. I am not making a profit on these items as they are being sold at cost.

Lino cutter set \$8.75
Paintbrush set of 4 brushes \$4.50
Paint Palette \$1.25
Flat Compass \$0.75
Protractor \$0.15
Keated erasers \$0.25
Pink Erasers \$0.10
Ruler \$0.25
Semester Kit \$16.00

**Other items may also be added to the art supply store as the semester progresses. A current price list will be posted on the class website and outside the room. Pay all fees to office and bring me receipt to get your supplies.
