

Class Purpose

We will be using X to whY math curriculum. Our goal is to increase engagement, deep learning and mathematical thinking through:

- Activity
- Questioning
- Problem solving

Need Help?

- Come **Fridays** 10:20-12:15
- Come to my **PROWL** class.

Mrs. Pritchett's Resource Math 8/9

Supply list

Every Day, You Need:

- Chromebook
- Pencils
- Good Attitude

Don't forget your
Mask!

grading

I will be grading on a 4 point scale. Assessments will make up 80% of the grade and 20% will be quizzes and practice.

Absences: Students are expected to make up missed class work as homework. They are Responsible for getting this work.

Homework

There will be up to 4 homework problems each evening. From these homework problems there will be a weekly quiz.
