

Dear South Jordan Middle School Parents,

South Jordan Middle School has teamed up with Smith's Food and Drug with an opportunity for our school patrons to make donations as they shop and purchase items in all Smith's stores.

In the past 3 months, over 100 families have helped SJMS raise over \$495 by signing up for this program. It's easy..all you have to do is shop at Smith's Food and Drug and swipe your Rewards Card!

Linking your Reward Card to South Jordan Middle is easy. Just visit Smith's website at <http://www.SmithsFoodandDrug.com/Inspire> .

Smith's Food & Drug will donate .5% of every eligible purchase made to South Jordan Middle School once your *rewards* card is linked. We would like to ask for your support in this effort. Invite other extended family to join in this cause. It does not cost anything, but the rewards can be huge.

In the past we have used the money to purchase i-pads and other equipment, and give South Jordan Middle School's students a better education.

Thank you for your support!
South Jordan Middle School Administrators
