

# Come participate in the **STEM Fair!!!**

## Grades 7,8,9 Invited!!!

Dear SOJO Science Students and Parents,  
Each year, our Science students are encouraged to participate in the Science Fair. Students may participate individually or as a group, and **EXTRA CREDIT will be given for student participation.**

Projects that qualify will advance to the District Fair in February, and possibly on to the State STEM Fair Competition at Brigham Young University in March. **Choose from the following to create your project.** To find out the description of each category, go to: <http://cusef.byu.edu>

- Animal Science
- Biochemistry & Chemistry
- Earth & Planetary Science
- Engineering
- Mathematics
- Microbiology
- Plant Science
- Behavioral & Social Science
- Computer Science
- Energy & Transportation
- Environmental Science
- Medicine & Health
- Physics & Astronomy

**Science teachers will be offering individual/group help in the following areas throughout the entire project process from Nov. into March, every Thurs. for about an hour after school.**

- 1-Starting the Project
- 2-Planning Experimentation
- 3-Analyzing Data
- 4-Conclusion Abstract & Peer Review
- 5-Final Presentation Helps
- 6-Oral Presentation Helps

**LIMITED SPACE IS AVAILABLE.** Please fill out the following, including a Parent Signature, and return to your Science teacher by **THURS. NOVEMBER 8th.**
